Please note that this may be subject to change, but I will keep both pupils and parents informed throughout the process. Whilst March 22nd is the final deadline, the Options window will be 2 weeks prior to this and both you and your child will be able to go back and make changes until the window is closed. As long as your child meets the criteria for their Options choices, I will do my best to make sure that they get their first choices. If there is a problem or a query at any point, please do encourage your child to approach me and the same is extended to you. I understand the concerns and anxieties you may have as a parent to want the best for your child and I have no doubt that you are guiding your child through their Options choices in the best way possible.

Take care.
