## **COVID 19 Sixth form admissions policy addendum**

Due to the nature of how final grades were awarded we have revised our entry requirements for sixth form.

### **Entry to A level courses**

The entry criteria for admission to A level courses remain the same.

### **Entry to level 3 BTEC**

For this year, entry is granted to students with 6 good GCSE's (grade 9-4) even if they have not achieved a grade 4 in Maths. If a student has not achieved a grade 4 in Maths they will be admitted nonetheless with the following caveats:

- Students will be enrolled into Maths GCSE 'mature' courses
- Students will be entered into the Maths GCSE November series
- If students do not pass their Maths then, they will re-sit at the next available series.
