

NEWS LETTER

STEPNEY ALL SAINTS SCHOOL

15TH OCTOBER 2024

Welcome

Much has been happening in school in the past two weeks including our celebration of the start of Black History Month. Read about some of these events in the latest edition of our newsletter.

REMINDER: Half term starts Monday 21st of October. Lessons resume on Monday 4th November.

BLACK HISTORY MONTH

YEAR 9 IN WALES

Over the past weeks groups of students in Year 9 have visited the Argoed Lwyd Outdoor Education Centre in south Wales. These have been trips two and three out of seven planned for this academic year. We would like to thank The Portal Trust for their support in making these trips possible.

SPORTS RESULTS

- Year 9 boys football team won an epic London Cup fixture against Southfields Academy. They were 1-0 down until the final minute, then Shahria Chowdhury scored an incredible free kick. They went on to win 2-0 on penalties.
- Year 7 boys football team won a high scoring encounter with local rivals Mulberry Stepney 10-5.

MEDIA CLUB

To celebrate Black History Month, Film Club (every Tuesday lunchtime in P12) watched Black Panther (12A). Black Panther was originally released during Black History Month in 2018. It is the 17th film in the Marvel Cinematic Universe and the highest-grossing film franchise in history.

MUSIC AND MEDIA TRIP TO TINA: THE MUSICAL

On Thursday 3rd October, we had a fantastic Music and Media trip to **Tina: The Musical**. The day included an exclusive educational workshop with the cast and crew, followed by a stunning performance of the show. The students thoroughly enjoyed the experience and left feeling inspired. Following the success of this trip, we are now looking to apply for backstage workshop opportunities in various technical areas, including lighting, automation, sound, hair and makeup, and wardrobe. We are excited to continue offering our students these unique, hands-on learning experiences in the world of theatre.

READING

A reminder for all students to borrow at least one book from the Library and to engage with taking quizzes on Accelerated Reader.

STUDENT OF THE WEEK

Well done to **Umayya Rahman** in Year 11 for working so hard in English and getting almost full marks in every quiz so far!

- *Nominated by K Mackaness*

KS3 ART HALF TERM CHALLENGE

We are so lucky to live in the capital and have access to fantastic free galleries and museums.

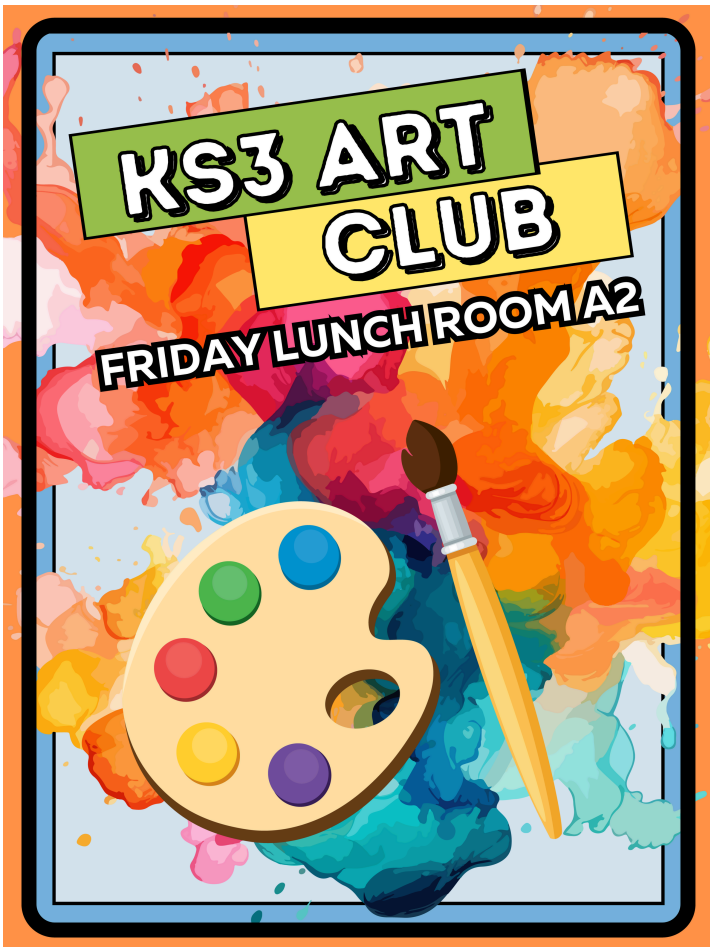

The KS3 challenge this half term is to visit either the **TATE MODERN**, **YOUNG V&A** or **IMPERIAL WAR MUSEUM** (year 9 only) to look at artwork connected to your current Art project themes.

Visit a gallery or museum suggested to you via your google classroom area. On a Google slide, upload and present your photos from the day, you at the museum, any sketches you did whilst there and some writing about your experience.

Do include: your own photos, drawings and writing about your experience there! **SHARE** via GoogleCclassroom.

1st, 2nd and 3rd place prizes will be awarded for each year group! We are so excited to hear about your days out. Good luck!

DEADLINE FOR ENTRY 11TH NOVEMBER.

BLACK HISTORY MONTH HOUSE COMPETITION

1. IGNATIUS- JORNA AL RAHIMA HOSSAIN (12I)

Students in all year groups were tasked with the opportunity of creating a poster to represent their House. This was a House competition and linked to Black History Month. The winners were: Jorna in Year 12, Anisa in Year 9 and Arman in Year 10. Each student will be given a voucher during assembly. Well done to all those that participated and learnt a lot.

See the message below from our winner Jorna Al-Rahima Hossain:

The House Project was an opportunity for students to research about some of the most inspiring figures in British history, allowing us to find out why they were so key in shaping the society we live in today. While making this poster, I enjoyed the experience of mixing the medium of art with the facts of the past. It helped me immerse myself in Ignatius' story and allowed me to understand his importance.

1. EQUIANO- ANISA UDDIN (9E)

Celebrating Tull

To celebrate Walter Tull's legacy at Stepney All Saints School, we could:

- Organize a football tournament in his honor.
- Host a lecture or workshop on his life and achievements.
- Create a display in the school library featuring books and articles about him.
- Invite a guest speaker who has been inspired by Walter Tull's story.

By honoring Walter Tull, we can educate students about his contributions and continue his legacy of courage, determination, and equality.

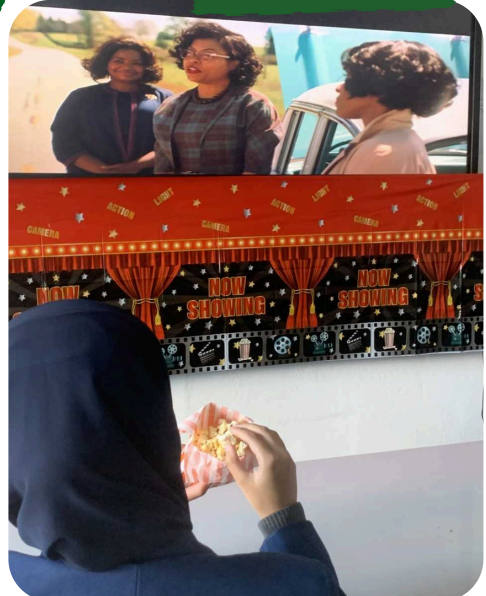

Arman Rahman (10T)

1. TULL- ARMAN RAHMAN (10T)

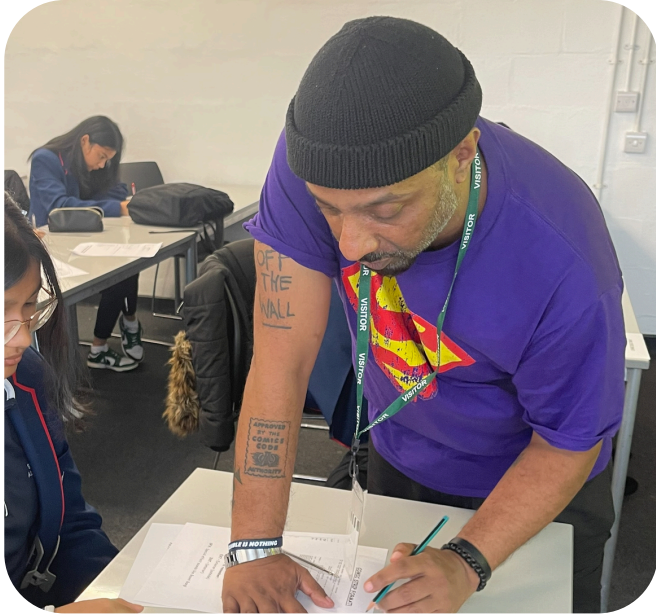

KS3 ART HALF TERM CHALLENGE

On Thursday 10th, as part of our Black History Month celebrations, our female empowerment ambassadors held a movie night of the film, 'Hidden Figures', which promotes the excellence of three female African-American mathematicians, Katherine Goble Johnson, Dorothy Vaughan and Mary Jackson who worked at NASA during the space race. This film links to the theme of 'allyship' which shares the same vision of the female empowerment movement, bringing our student body together to promote the voices and excellence of female figures. Students were treated with popcorn and sweets to promote an 'in-cinema' experience.

VISIT FROM THE UK COMICS LAUREATE 2023-25

On Monday afternoon, Bobby Joseph visited Stepney All Saints in order to deliver an assembly and a workshop to our year 9 students.

Bobby is an acclaimed comic writer, artist, tutor and editor whose work has often challenged and inspired its readers. He is also a vocal advocate for diversity and BAME representation in comic books and is credited on the BBC website as instrumental in featuring some of the "first comics by black creators featuring black characters."

During his visit he shared details of his successes as the first person of colour to be awarded the status of comic laureate as well as the inspiration behind the characters in his works.
